

General Conditions of Contract (GCC) for ASVZ trial membership

1. Admission to the Academic Sports Association Zurich (hereinafter referred to as ASVZ) is determined by the ASVZ articles of association and is granted upon payment of a fee.
2. Trial memberships can only be bought once for either 3 or 30 days and are available to people who have never been ASVZ members or who haven't been ASVZ members for more than three years.
3. Once admitted, trial members have access to the membership section of the digital ASVZ app. Valid trial membership allows them to book all ASVZ classes, access ASVZ Sport Centers and outdoor facilities (only during ASVZ classes) and participate in the ASVZ classes. Trial members cannot participate in courses and camps.
4. Each ASVZ trial membership is linked to a QR code. The QR code requires a portrait photo to be uploaded. Access to ASVZ Sport Centers requires a successful reading of the QR code from the ASVZ app at the check-in terminal. The portrait photo is displayed at the check-in terminal for identification purposes.
5. During spot checks carried out by our security firm, ASVZ employees or facility management, all persons must show proof of their ASVZ trial membership and a valid online booking confirmation.
6. Likewise, participation in ASVZ classes at outdoor facilities is only allowed with an ASVZ trial membership and valid online booking. During checks carried out by instructors, all participants must show proof of their ASVZ trial membership and a valid online booking confirmation.
7. Anyone who does not appear for a booked activity or does not check in may have their ASVZ trial membership suspended for up to eight days.
8. Trial members who never make use of the facilities or attend any activities are not entitled to a fee reduction or refund. The trial membership cannot be paused or refunded.
9. The digital ASVZ trial membership is personal and non-transferable and cannot be modified. Anyone who violates this rule, will result in the withdrawal of the membership without entitlement to a refund. A fee of CHF 100 will be charged for any third persons involved. The ASVZ reserves the right to file a criminal complaint.
10. ASVZ trial members are obliged to follow instructions given by staff and to strictly abide by the house rules, fair-play rules and hygiene regulations. Serious and/or repeated violation of these rules and regulations will result in the offender being banned from entering ASVZ premises and having their trial membership revoked without a refund.
11. The ASVZ is not liable for any damage to persons or property arising during ASVZ sports activities or in the ASVZ facilities. The ASVZ is not liable for any loss of personal effects, valuables, clothing etc. or any loss or damage of objects stored in lockers. The ASVZ trial member is responsible for taking out their own insurance for such cases.
12. ASVZ trial members acknowledge and accept that the conditions of participation may change at short notice due to acts of nature beyond control (e.g. a pandemic) and/or authority regulations.
13. In emergencies, personal information will be recorded and passed on internally for case handling purposes.
14. Any photos, film footage and interviews with trial members resulting from their participation in ASVZ sports activities may be permanently stored by the ASVZ and used for multimedia communication purposes without compensation.
15. By signing the trial membership agreement or accepting the GCC electronically, ASVZ trial members confirm that they have completed the application form accurately and truthfully.
16. By signing the trial membership agreement or accepting the GCC electronically, ASVZ trial members confirm that they have read and agree with the General Conditions of Contract for ASVZ trial membership.
17. The ASVZ membership must be paid in advance at the ASVZ information desk or through the online desk using a credit card, debit card or Twint.
18. If the trial member applies for an annual membership within two weeks after expiration of the trial membership, the annual membership can be extended by the same amount of time as the trial membership lasted (3 or 30 days). To do so, the member must inform the ASVZ at info@asvz.ch once they have purchased their annual ASVZ membership.
19. This agreement is subject to **Swiss law**. The **place of jurisdiction is Zurich**.
